

Every Woman Can Now Afford a Pair of Shoes for Every Costume

*For Street Wear
For Social Functions
For Motoring and Travel
For Semi-Formal Occasion*

Most women who insist on high-grade footwear are restricted to one or two pairs of shoes on account of the high cost.

Economy forbids that which pride and ambition dictate.

Since the introduction of the American Girl Shoe this condition has been changed.

The "American Girl" Shoe

\$2.50 and \$3.00

Enables every woman to have a pair of shoes for every costume. It is no longer necessary for her to wear one pair of shoes day in and day out for all occasions.

All that a woman's heart longs for in footwear—style—daintiness—shapeliness—elegance—all these qualities are cleverly embodied in the new American Girl models.

And American Girl Shoes wear as well as they look. Every feature of leather, trimmings, and stitching is covered by the broadest possible guarantee, which serves as your protection. Read it for yourself.

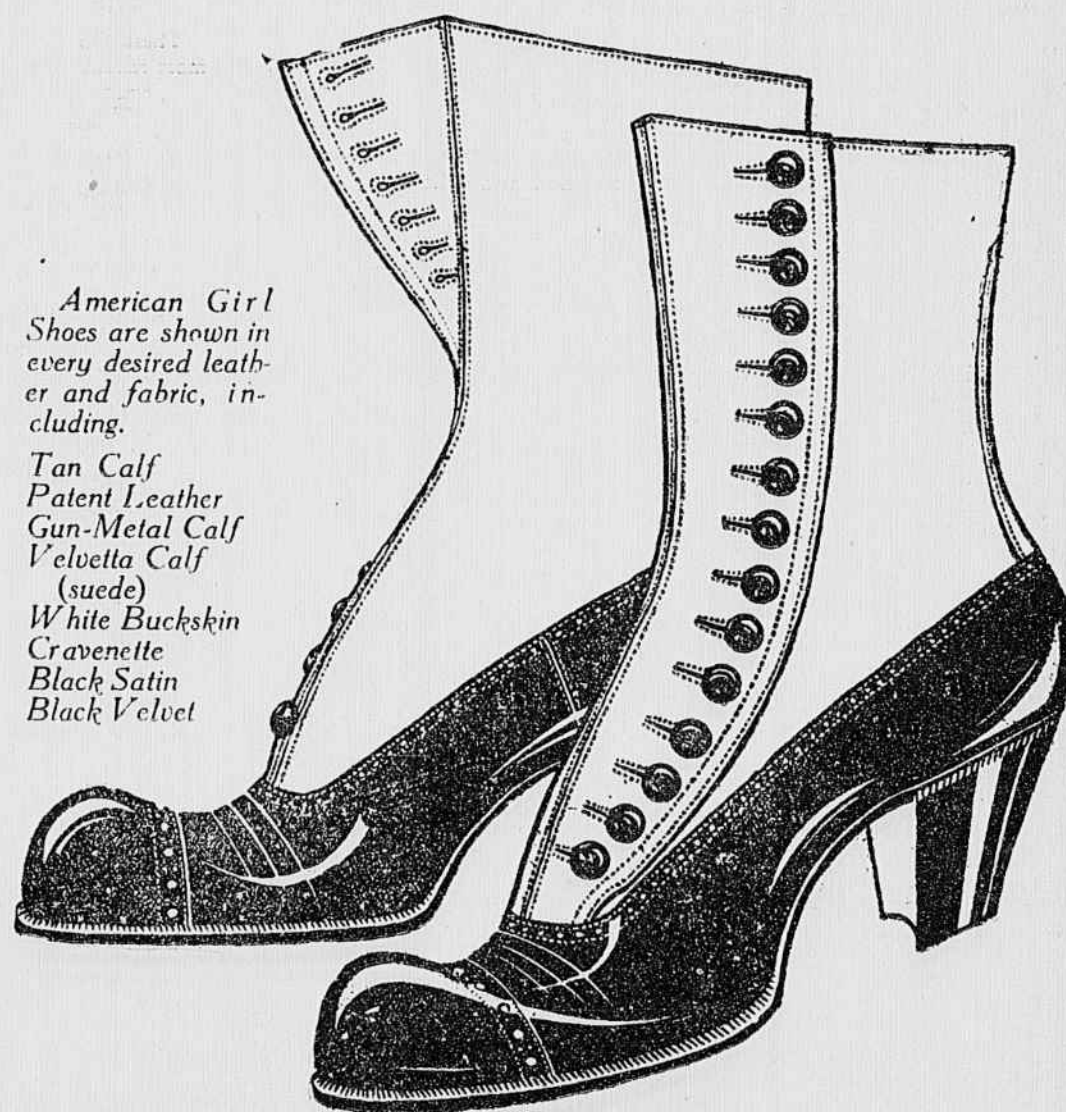

The "American Girl" Guarantee

"The makers of the AMERICAN GIRL Shoes guarantee that they are manufactured of the best quality leather, stitched with the best quality silk, of the best oak-tanned sole leather, and made by workmen skilled to the highest degree in the art of shoe-making.

We guarantee them fully, and the dealer is authorized to replace any pair which fails to give reasonable wear on account of defective material or workmanship.
